Remarks

Spacious expanded Cape on quiet cul de sac features open kitchen with granite countertops and stainless appliances. In addition to the open living room, first floor also includes a fourth bedroom or office and full bath. Many updates in 2007 included Pella windows, baths, kitchen and full insulation. Flat and level back yard with large patio. Quiet cul de sac location just steps from Overbrook Park for fun, neighborhood gatherings and ball games. Great opportunity for updated home in quiet neighborhood at this price point. Open Houses Saturday and Sunday.
